

Information letter
for participants in the Czech language course for compatriots online 2021

Dear Madam, dear Sir,

We are pleased to inform you that you have been accepted into the language course (Czech language course) for compatriots, which will take place online from August 2nd to 13th, 2021 (2 weeks). This abbreviated online course is a substitute for the originally planned four-week language course, which will not be held in person this year due to anti-pandemic measures and restrictions on international traffic.

Lessons (including phonetics and conversation lessons) and the accompanying program (lectures, virtual tours, online cultural events) are provided **free of charge** for course participants.

The **lessons** are taught by experienced lecturers of the Institute of Language and Vocational Training of Charles University. They will take place in the morning and afternoon and will be implemented on the **MS Teams** platform, to which students will have access. Students will also have the necessary teaching materials saved in their team/virtual classroom.

Before the start of the course, on July 31st and August 1st, a **short structured interview** will be conducted with students according to a predetermined schedule to verify their declared language level. This will make it possible to create the individual study groups.

You will be acquainted with the detailed **schedule** during the reception on Monday, August 2nd, 2021 (9.30 - 10.30 CET). You will also learn about your study group and receive a link to your team.
