Rationale: UCV adopted the Gender Equality Plan (GEP) in December 2021 and we looking for support to effectively and successfully implement it. Our aim is to implement gender equality plans to all levels of Craiova University. We are willing to contribute in design and implementation of transfer of knowledge proposed activities such as:

Work package 1: Joint Summer Schools and Training sessions

Work package 2: Development of various information kits (e.g.: how to avoid gender discrimination and prevention of stereotypes in the recruitment process; sexual and moral harassment; gender-sensitive communication)

Work package 3: Shadowing Jobs- short visits

Work package 4: Mentoring Program for Leadership Positions

Work package 5: Conferences

Work package 6: Information and communication and dissemination

Work package 7: Set up a Centre for Gender Equity and Leadership

Work package 8: Exploratory Research Project on Gender

Work package 9: Project Management- including Advisory Board
