**Vyhledejte

Participating organisations

To complete this section, you will need your organisation's identification number (OID). Since 2019, the Organisation ID has replaced the Participant Identification Code (PIC) as unique identifier for actions managed by the Erasmus+ National Agencies.

If your organisation has previously participated in Erasmus+ with a PIC number, an OID has been assigned to it automatically. In that case, you must not register your organisation again. Follow this link to find the OID that has been assigned to your PIC: [Organisation Registration System](#)

You can also visit the same page to register a new organisation that never had a PIC or an OID, or to update existing information about your organisation.

The **legal representative** is the person with authorisation to represent the organisation in legal agreements and contracts.

The **Primary contact person** is the first contact point for everything that has to do with implementation of project activities.

If needed, one person can have more than one role. For example, a legal representative can also be the primary contact person. However, you need to name at least two different persons to make sure it is always possible to contact the organisation even if one of them is not available.

Please note that information related to Associated Persons will automatically be transferred to your National Agency but is not available in PDF.
