To maintain eligibility for the scholarship, holder must achieve a minimum cumulative grade point average (GPAX) of 3.00 each semester within the hierarchical assessment of subjects used for GPA calculation. Additionally, for courses both with and without credits and score values contributing to the GPA and GPAX, scholarship recipients are required to receive an 'S' assessment result to qualify for the scholarship in the following semester. In the case of a GPAX lower than 3.00 but not less than 2.80, the scholarship holder is still eligible for the scholarship the following semester, however, if the scholarship holder receives a GPAX lower than 3.00 again in the subsequent semester, the scholarship will be rescinded. If the scholarship holder receives a GPAX of at least 3.00 the following semester, the scholarship holder will be considered to have met the scholarship requirements. 2. Grades for each subject in each semester must be completed. If the scholarship holder receives an "I" ("incomplete"), the		

	scholarship holder will not be considered eligible the following semester except for instances considered by the scholarship committee on a case-by-case basis. 3. The scholarship holder must be enrolled for at least 70 percent of the study schedule for each semester except for instances considered by the scholarship committee on a case-by-case basis.
