Section information

This section asks for information about the applicant organisation and about other organisations involved. All organisations included in the application, whether they act as applicant or consortium members, need to be registered in order to receive an Organisation Identification Code (Organisation ID) through the [Organisation Registration system for Erasmus+ and European Solidarity Corps](#). [↗](#)

The Organisation ID is a unique identifier for the organisation within the whole Erasmus+ Programme. It should be requested only once per organisation and used in all applications for all Erasmus+ actions and calls. Organisations that have previously registered for a Organisation ID should not register again. If an organisation needs to change some of the information linked to the Organisation ID , this can be done through the Organisation Registration system for Erasmus+ and European Solidarity Corps.
